# GRAPES

---

## Features:

- Table Grapes:
  - **Vanessa** - brick red seedless, ripens *mid-sept*, highly productive, crisp, dense medium sized clusters
  - **Himrod** - white seedless, ripens *early-sept*, very vigorous, large fruit, on loose clusters; good rootstock
  - **Sovereign Coronation** - purple seedless, large fruit, *early-Sept*, great complex sweet/sour/musky flavour (American)
  - **Black Monukka** - black seedless, large fruit, ripens *early-sept*, good for raisins and wine (European)
  - **Fredonia** - Blue/black large fruit, ripens *late-Sept*, thick skin, large clusters, (American)
  - **Interlaken** - white seedless, ripens *early-sept*, compact medium clusters
- Wine Grapes:
  - **Castel** - red, European American hybrid, high sugar content, not vigorous vine but large crops
  - **Pinot Noir** - arguably best wine grape, but finicky, late as *ripens Oct.*, tight bunches make it prone to disease (European)
